Dear Craig,

On behalf of the Toyota Manufacturing UK Charitable Trust, I would like to pass on our sincere thanks for your kind donation which supported our Christmas Square activity last month. With your support, we raised an amazing £10,000. This result was due to the generosity of companies like yourselves.

Over the coming months, the money raised will support many worthy charities and organisations in the areas close to our engine plant in North Wales and vehicle plant in Derbyshire.

We plan to promote the activity on our company website and would be more than happy to include your company logo. Please feel free to forward it onto julie.langley@toyotauk.com if you have not already done so.

Thank you once again for helping us to support those most in need.
